The Student Right-to-Know Act (pub.L. 105-18) requires schools to disclose information about graduation rates to current and prospective students and the public. The Student Right-to-Know regulation defines the reporting period to be based on starting July 1st and ending June 30th of each year.

Associated Technical College - San Diego, in complying with the Student Right-to-Know Act will disclose the following graduation rates of its students whom graduated within the required 150% of the normal time for the period of July 1, 2014 through June 30, 2015 for the Telecommunications and the Microcomputer Technology programs.

The School had enrolled one hundred and fifty-seven (158=100%) students in its Telecommunications Program. One hundred and two (100=63%) completed the training and the remaining fifty-five (58=37%) either did not graduate or did not complete within the 150% of the normal time.

The School had enrolled thirty-nine (37=100%) students in its Microcomputer Technology Program. Twenty-six (22=60%) completed the training and the remaining thirteen (15=40%) either did not graduate or did not complete within the 150% of the normal time.
