

## **Associated Technical College Transfer of Credit Disclosure**

The transferability of credits that you earn at Associated Technical College is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the diploma you earn in medical assisting/ cardiac technician or telecommunications is also at the complete discretion of the institution to which you may seek to transfer. If the credits that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some, or all of your coursework at the institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. If you are planning to transfer to another institution after you training at ATC we strongly suggest that you consult with that institution and ask them to determine what credits, if any, they will accept from ATC.

Your goal at ATC should be to obtain skills to make yourself employable in the field of endeavor you have chosen, and not as preparation for education at another institution.
